Kevin Quinn kpquinn2@wisc.edu || (715) - 338 – 7410 || i-dont-remember.github.io

Education

University of Wisconsin-Madison   *Spring 2018*
Double Major: Computer Engineering and Computer Science
GPA & Honors: 3.36/4.0, College of Engineering Dean's Honor List (Spring 2016, Fall 2016)

Relevant Coursework: Data Structures, Machine Organization & Programming, Digital System Fundamentals,
Discrete Math, Circuit Analysis, Signals & Computing
In Progress: Algorithms, Microprocessor Systems, Intro to A.I.
Online (In Progress): Learning How to Learn (Coursera)

Technology Experience

Language Experience: 2 semesters of Java, 1 semester of C, introductory Python and MySQL, basic web development

Personal Website
-Built with the Bootstrap framework and hosted on a personal Raspberry Pi server; first foray into HTML, CSS, and JS

White Elephant Name Sorter
-C command line program; next iteration will be in Python to understand difference in development time, file size, etc.
-Uses Fisher-Yates shuffle to randomly assign indexes and then a Caesar Cipher of the name when displayed

The Odin Project (In Progress)   *Started Spring 2017*
-Open-source online course curriculum for learning web development in free-time; project-based
-The significant number of projects will be added to Github as they come up in the curriculum

Work Experience

UW-Madison Athletics Food & Beverage Department, Madison, WI   *Nov. 2015 - Present*
-Obtained license to serve alcohol, the eTips On Premise certification
-Trusted with transporting hundreds of pounds of food in a box truck around the hectic gameday campus
-Took over and handled all duties of the truck deliveries on my second shift ever with no delays, damages, or problems

Quality Moving & Storage, Hudson, WI   *Summer 2015 and 2016*
-Provided residential and commercial moving services to customers throughout the Twin Cities metropolitan area.
-Optimism, empathy, and perseverance needed for long hours helping customers during stressful times and working
in small teams. 13+ hour work days would occur several times a month.
-"You have been a huge asset to this company over the past two summers...you and your folks should be proud of
your ethics, commitment, and your professionalism, 100%!" Nick Franta, Owner
